Registry Planner

Thank you for choosing our store!

We have created this planning tool to assist you in creating the best possible Wedding and Gift Registry.

Please take your time to review each section, make notes, write questions, and take stock of what you have, where you are in your cooking and entertaining and where you want to be in the future.

Planning and reviewing now, before you come to the store, will help you create a well balanced, thoughtful registry; giving your friends and family good choices and yourself every opportunity to receive what you truly want and need.

Please bring your planner to the registration appointment.

If you have questions while using this planner please call us.

What are considered basic cookware pieces is dependent on your needs. Think about the following:

- How many you plan to cook for today and in the next 5-8 years
- Food you are currently cooking but do not like the cookware you currently have.
- Food you will be learning to or want to cook and don't have the right tool
